

**BOB MORGAN ATHLETICS
BASEBALL 2009
Saturday, May 2, 2009**

It's official! Randy Maum is taking over operation of Bob Morgan Athletics. You will see no differences, since Randy has been directing all field operations and actively participating in all decision-making for the past few years. You will see that his phone number and address are now on program literature as the contact points. Pat will take pictures and hang out to chat, but please direct all questions to the official program director.

Big news: Location has been confirmed for the **2009 Summer Sports Spectacular.** Baseball will be played on our current field, and basketball will run in the gym across the street. Registration information is now on the web—talk to Randy (291-8730) if you have any questions.

Please check in 15 minutes ahead of time to get game shirts. Shirts should be returned promptly after each game – we will wash them and bring them back each week.
