

**BOB MORGAN ATHLETICS
BASEBALL 2010
Saturday, May 8, 2010**

We have finished the fifth week of practices. Our last games were exciting and we are getting better. Look for better understanding of the game. We are also making better throws from all positions and catching the ball making force outs and tag outs. Baserunning is still an adventure with the younger players. Continue to look for better team movement and outfield play (relays and cutoffs).

Rainouts will be a game time decision. We will play in light rain, but not torrential downpour and lightning. In the event of rain, message will be posted on the website and on the answer machine.

A few notes:

- Have fun. Be supportive and positive, and if you see something that you don't understand, find Randy and ask questions. If you see problems, find Randy *immediately*.
- Expect the game to be part of the learning experience. Coaches will stop play, make corrections, and repeat the action.

And please—watch out for little ones in the parking lot, especially between games.

Next week is the last week of our program. Final games will be played on Thursday, Friday and Saturday, with awards to be given out after the games on Saturday.

Please check in fifteen minutes before game time to get uniform shirts, then return shirts promptly after each game. Remember that teams rotate weekly and colors change; we do the laundry and hand out game shirts each week.
