TROPHY WEEKEND!**

This is the sixth and final week of our baseball program. We have made a lot of progress with your children. Hitting has improved. Basic throwing mechanics and glove movement are better and there is the beginnings of an understanding of the game. All of these things provide a base to build upon in future baseball programs and activities. We have enjoyed working with your children and hope to see you in future programs.

Our SUMMER SPORTS SPECTACULAR Sessions start June 7, 2010. Please check our website for more information.

Please note the game schedule this week. One game will be played during practice and the final games will be played Saturday with Trophy Ceremony after each game on Saturday.

DON'T FORGET - watch out for little ones in the parking lot, especially between games.

Please check in fifteen minutes before game time to get uniform shirts, then return shirts promptly after each game. Remember that teams rotate weekly and colors change; we do the laundry and hand out game shirts each week.
