

BOB MORGAN ATHLETICS 3151 SERACEDAR STREET BATON ROUGE, LA 70816

WELCOME TO BASEBALL 2010!

Program Information

LOCATION: BMA Baseball will practice and play at beautiful **Family Christian Academy Baseball Fields - Bluebonnet Blvd.**

All games are played on Saturdays; schedules are adjusted weekly. If you have a conflict for a Saturday, talk to Randy **by** Wednesday. Schedules are handed out at practice on Thurs & Fri; if you miss, call Randy **before** Saturday. First games: April 17th.

What You Will Need

- Appropriate athletic shoes.
- Eyeglasses should have safety glass lenses.
- Baseball pants—all ages will slide!
- Note: Practice shirts will be provided.
- We have balls and bats. Bring your own bat if you want to—make sure it is labeled!

Label any articles not attached to your child!

Health Information

Please complete and return the health record on or before the first day of the program. During practice, we will administer basic first aid; if further attention is needed, we will notify the parent AND, if an emergency exists, we will use the information supplied to seek medical care. We will use the nearest facility if time is a factor.

Record any on-going medications or special needs on the

program record and discuss with Randy.

Refund Policy

**Partial refunds
before April 11**

**No refunds
once program
begins.**

Parental Involvement

We believe that we are working **with** parents to provide a positive experience for each child. We encourage parents to observe all practice sessions and to attend all games.

In addition, **please stay in touch.** Randy takes calls outside of practice to discuss anything that concerns you. Your feedback is important to us-- what your child tells you at home can help us to improve his or her experience during the program. If you hear reports about vulgar language, teasing, or other unacceptable behavior, let us know immediately. Such actions are not tolerated, but **we need your help to identify such problems early.**

Do not instruct your child from the sidelines. He/she will listen to you first, and might miss important instructions or become confused. Talk to Randy if you have concerns.

Facility Guidelines

- Pets are not allowed. No exceptions.
- Use of tobacco and/or alcohol is not allowed.
- Trash cans are provided.
- No profanity!

**Spread the word
special is back!**

Bring a new family to a BMA program and we will give you \$20 off your next program registration fee. Certificates can be transferred. There is no limit to number of certificates you can use!

BMA Philosophy

Bob Morgan's Athletics has operated in Baton Rouge since 1986 and in Lafayette since the 1960s. It is our mission to develop each child socially, emotionally, and morally through peer-group accepted physical activities. Other programs may state similar goals, but we have more than 45 years of experience in implementing a program that does what it promises to do!

Experience Counts!
